

CITIZEN SCIENCE IN THE MARGARET RIVER REGION

Join Nature Conservation to hear about citizen science projects happening in the area .

WWF's Great Quenda Count, Nature Conservation's Spring Count of Western ringtail possums and a SWCC project to record Black cockatoo sightings are all happening this spring. These projects need your help so join us and discover how you can get involved.

When: Thursday 8th Oct

Time: 5.30 to 6.30pm

Where: Augusta Margaret River Council chambers,
Walcliffe Rd, Margaret River
